Description:

Incredible farmhouse in Cuevas del Almanzora located on a wonderful 1900 m2 plot with fruit trees (orange, grapefruit, pear, fig, plum...). Outside the house there is a heated pool, a wood-burning oven and a beautiful porch from which you access the farmhouse, which is made up of a living-dining room, a fitted kitchen, two bedrooms and a bathroom.

The property has the right to irrigation water which means that the maintenance of the area of fruit trees is not expensive.

All this one kilometer from the urban center of Cuevas del Almanzora, where you can find supermarkets, a medical center, pharmacies, restaurants, shops, two weekly markets and a wide cultural offer.
